

Final Constituents GPR 250 Index Series

Global Property Research announces the final constituents of the GPR 250 Index Series, which will become effective as of 23 September 2019 (start of trading). The GPR 250 Index Series is a free float weighted index that tracks the performance of the 250 leading and most liquid property companies worldwide. Companies are selected on US dollar trade volume of the share in the past 12 months. Only companies with a free float market capitalization above US\$ 50m and a free float percentage of at least 15% are eligible for inclusion. The constituents of the GPR 250 Index Series as of 23 September 2019 can be found on the next pages.

The constituent changes of the GPR 250 Index and the GPR 250 REIT Index (indicated with an asterisk) are as follows:
